Support Greater Boston's creative economy!

Join us as sponsor and guest of the Arts & Business Council of Greater Boston's Movers & Makers, an event to celebrate the artists and creative entrepreneurs who inspire us and the legal and business champions who serve the creative good. Movers & Makers will be held as a virtual event on October 19, 2022, and will feature the artists and creative entrepreneurs in our fellowship programs, special guests, and those we are honoring for their extraordinary support of our creative economy.

Sponsors of Movers & Makers will find their company's name and logo featured prominently throughout the event and in materials leading up to October 19. We hope you will join us to celebrate this important sector of our economy and enjoy the virtual festivities!
